ABOUT US

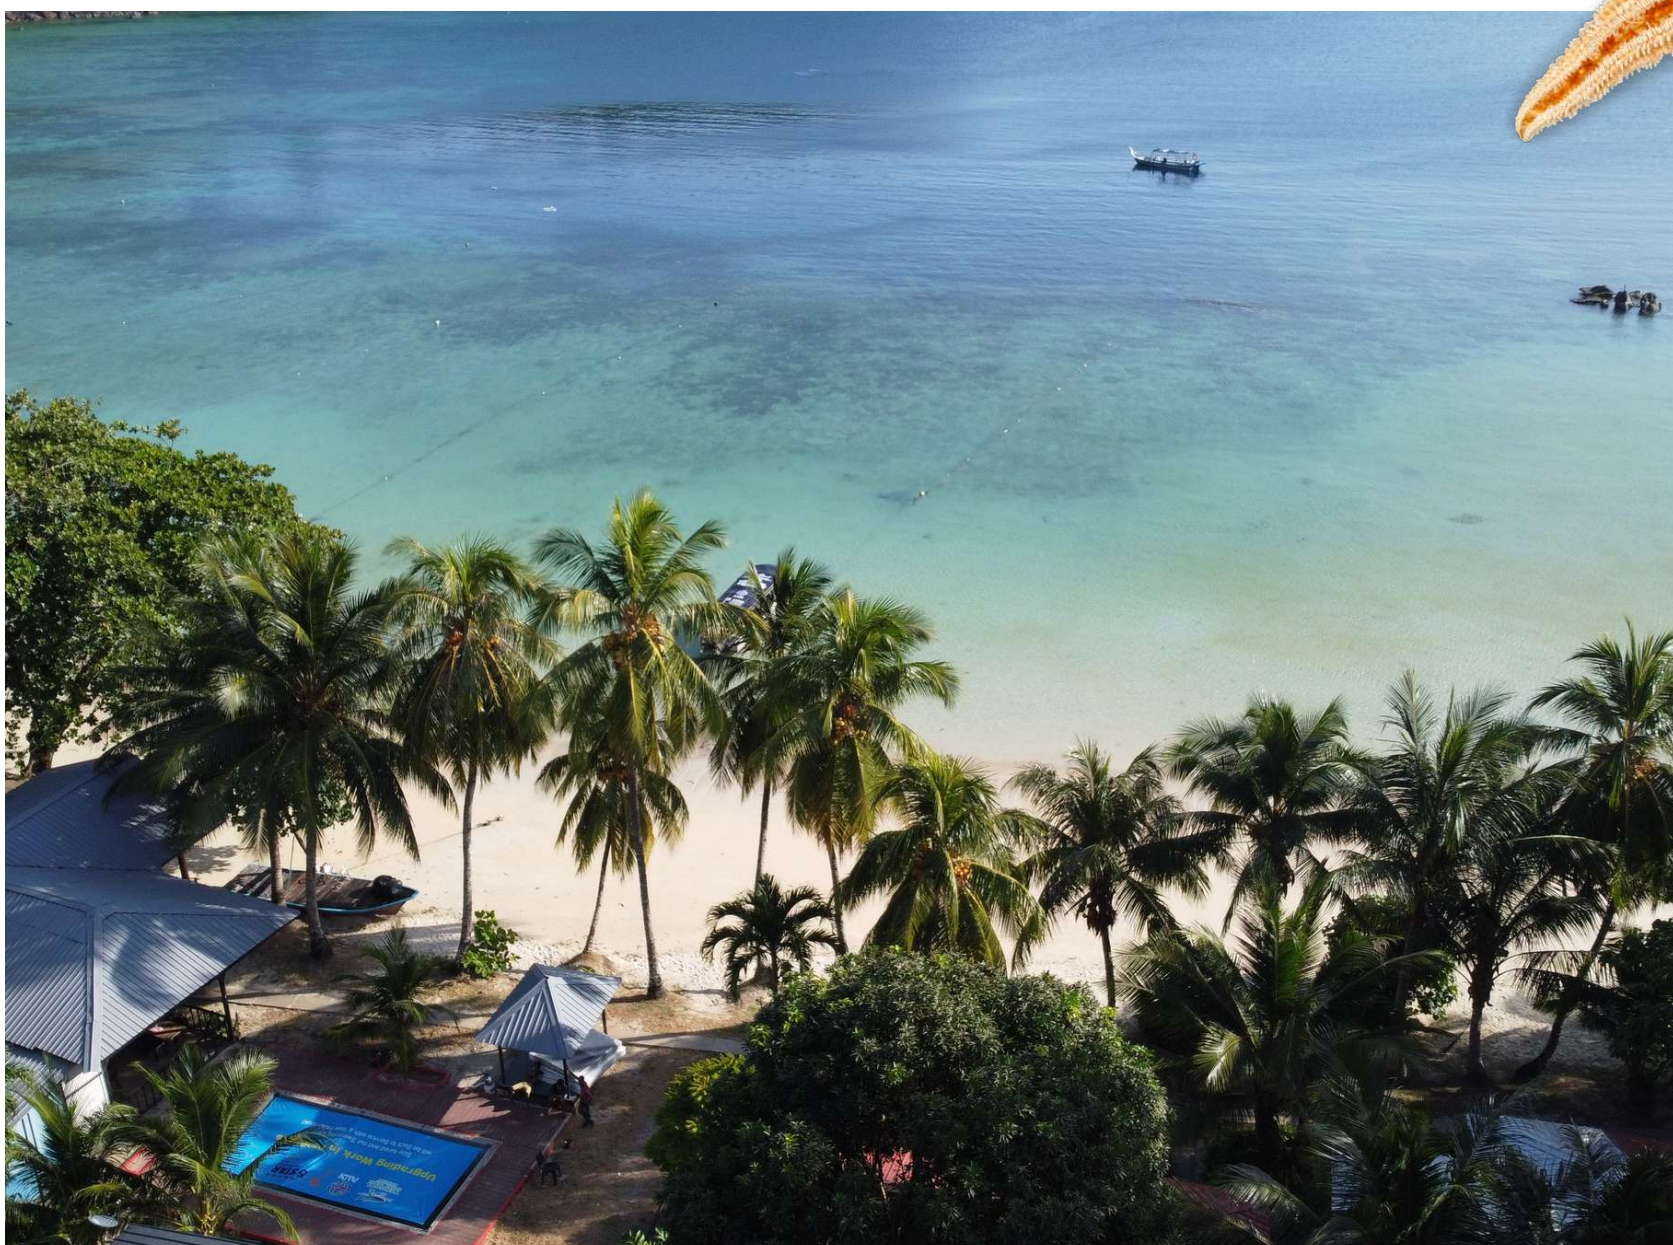

TENGGOL CORAL BEACH RESORT

Diver's Haven, Snorkeler's Paradise

Tenggol Coral Beach Resort is an Exclusive beach front resort for scuba divers and snorkelers. Tenggol island diving has some really pristine clear water conditions and amazing sea life to experience, making it one of the most beautiful dive locations in Malaysia.

Connected by two nearby airports getting to Tenggol from Kuala Lumpur is as easy as a 50 minutes flight, so come dive Tenggol or maybe contact us about learning to dive with the full range of PADI Courses from beginner to professional, we are friendly, experienced and professional and here to help advise you.

RESORT'S OVERVIEW

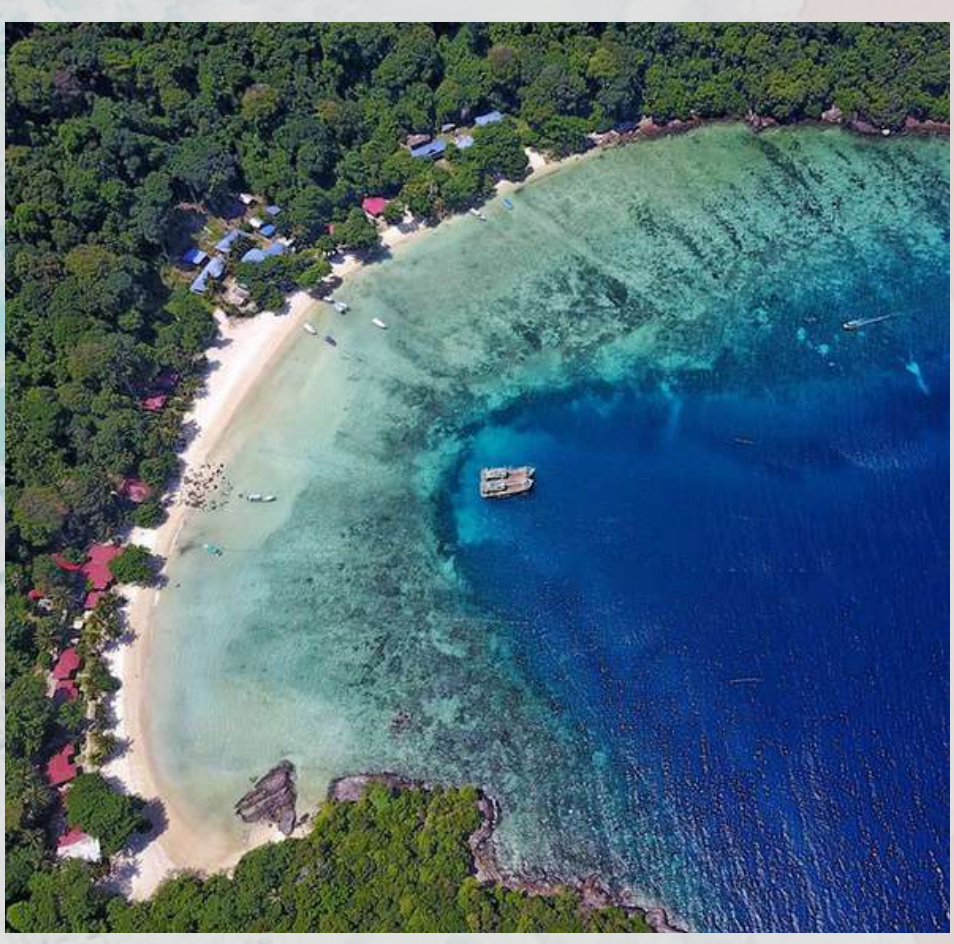

Tenggol Island is a small island and a protected island from marine park. It's approx. only 3km long and 2km widest part. It is mostly wild untouched jungle with a few pristine white sandy beach. It only takes 45 minutes speed boat ride from the mainland to reach to the astonishing island for a wondrous and enjoyment trip.

Inside Tenggol Bay, you can walk the length of the beach and explore a stunning coral reef less than 2 minute swim from the beach front chalets. For the more adventurous, perhaps one of the local staff may lead you for a short distance up the northern hills (sunset point) to view the astonishing sunset. The view of the open ocean reflecting the panoramic horizon of the sunset is one of the most stunning view's amongst many around Tenggol.
